Re: VMRC #20-1840

Dear Sir or Madam:

We have received your application requesting authorization to remove 17,500 cubic yards of subaqueous material from Timber Lake in Campbell County.

Based upon a review of your application, your proposal does not fall within the jurisdiction of the Marine Resources Commission, therefore, no authorization will be required from this agency. For your information, you may need authorization from the U. S. Army Corps of Engineers, and/or the Department of Environmental Quality prior to commencing your project. Your application has been forwarded to these agencies.

If I may be of further assistance, please contact me at (757) 247-2255 or via email at mike.johnson@mrc.virginia.gov.

Sincerely,
